Congratulations again to our 2023 Affiliate of the Year!

In 2023, through strategic initiatives and unwavering commitment, we were able to foster meaningful connections within our community. We held over 17 programming events with 30-60 attendees registered for each. We also held a volunteering event and packed over 100 backpacks to support a school drive for the Colorado Coalition for the Homeless. When comparing 2023 to the previous year, we've recorded a remarkable 20% increase in attendance across all our programming and educational events!

Receiving the WorldatWork Affiliate of the Year award is a testament to our dedication and the outstanding results we've achieved. We look forward to continuing our mission of enriching our members' experiences.
